

SPRINGFIELD - ROBERTSON COUNTY JOINT AIRPORT BOARD

**Special Meeting Minutes - Monday, April 26, 2021 - 8 am
Springfield - Robertson County Airport, Springfield TN**

Board Members present: Jerry Converse, Edison Guthrie, Kirk Johnson, Paul Nutting, Henry Ruth, Chris Simpkins

Board Member absent: Lewis Walling

Ex-Officio Member present: Billy Vogle

Airport Manager: Jamie Jones

Chairman Henry Ruth opened the meeting at 8:00 am. The meeting was streamed live; participants met remotely due to COVID-19 concerns.

Henry said a mowing contract between the board and Dalton Bennett had been reviewed by county attorney Clyde Richert and county mayor Billy Vogle. The contract was sent earlier to board members for their review. Paul Nutting made a motion to accept and execute the mowing contract between the board and Dalton Bennett. Chris Simpkins seconded the motion, and it passed unanimously by a voice vote.

Henry said the construction costs and revenue from building new hangars was put into next year's budget and was presented to both the Robertson County Commission's budget committee and Springfield's Board of Mayor and Aldermen. The county budget committee did not vote on the budget. The city, after discussion, did not approve the budget.

The hangar construction costs and rental income will be removed from the budget. The accounting costs and employee costs may change. Paul recommended creating a category of engineering costs if there were funds left over from these changes. Jerry suggested pausing on the hangar construction project, given the city's and county's response. There was discussion about other airports having outside firms building and operating hangars. Jamie will prepare information about private funding of hangars for the board members.

Henry adjourned the meeting at 8:26 am.

Respectfully submitted,

Edison Guthrie
Secretary - Treasurer
